MC+ MANAGED CARE

The information contained in this bulletin applies to coverage by the MC+ fee-for-service and Medicaid fee-for-service programs. The MC+ fee-for-service and Medicaid fee-for-service programs also provide coverage for those services carved out of the MC+ Managed Care benefit for MC+ Managed Care enrollees. Questions regarding services included in the MC+ Managed Care benefit should be directed to the enrollee's MC+ Managed Care health plan. Please check the patient's eligibility status prior to delivering a service.

2003 CPT AND HCPCS UPDATE

Effective July 1, 2003, Missouri Medicaid will begin accepting the 2003 versions of the *Current Procedural Terminology* (CPT) and the *Health Care Procedure Coding System* (HCPCS). The 2003 procedure codes have an effective date of July 1, 2003.

Providers may begin billing the 2003 CPT or HCPCS codes with appropriate modifier(s) for dates of service on or after July 1, 2003. A transition period will be given to allow time to make necessary changes. Providers may bill the old code through September 30, 2003. Claims for dates of service on or after October 1, 2003 must be submitted using the new 2003 CPT or HCPCS codes and modifiers. Claims submitted October 1, 2003 and after for dates of service prior to July 1, 2003 must be submitted using the old procedure codes and modifier(s).

Claims for both the old and new procedure codes must not be submitted for the same date of service for the same recipient during the transition period.

The three tables shown on Attachment A are crosswalks of the State specific Level III codes or HCPC Codes to the new 2003 CPT and HCPC codes for:

- 1). Targeted Case Management Severely Mentally Ill Adults (TCM/SMI), Targeted Case Management Seriously Emotionally Disturbed Children (TCM/SED), Targeted Case Management Mental Retardation Developmental Disability (TCM/MRDD).
- 2). Comprehensive Substance Treatment and Rehabilitation (CSTAR).
- 3). Community Psychiatric Rehabilitation (CPR).

For a complete description of the new procedure codes and modifiers, copies of the 2003 versions of the *Current Procedural Terminology* (CPT) and the *Health Care Procedure Coding System* (HCPCS) may be purchased from your local medical bookstore.
